COLLINSVILLE, IL, June 5 -- The Illinois Department of Transportation (IDOT) will hold a public informational meeting Tuesday January 15, 2008 as part of the Preliminary Engineering Study for improvements to existing Illinois Route 162 at Illinois Route 157 in the Village of Glen Carbon, Madison County. The meeting will be held:

January 15, 2008 4 - 7 pm
Glen Carbon Community/Senior Center
157 North Main Street
Glen Carbon, Madison County, Illinois

This is the first Public Involvement Meeting for this project. The purpose of this meeting is to solicit input from the public regarding improvements to Illinois Route 162 at Illinois Route 157 in Glen Carbon. Handouts and display boards will be available for public review, as will information regarding engineering, environmental, and other important issues relating to the study. Representatives from IDOT and consultants performing the engineering (Bernardin, Lochmueller and Associates and Kaskaskia Engineering Group), will be present to discuss the project and answer questions. The meeting will be held in an open-house format, therefore no formal presentation will be made. The public is encouraged to attend the meeting to provide comment, input, and feedback on the study.

The meeting site is accessible to disabled individuals. If special accommodations are needed, notify the District Office at least three (3) days before the meeting so arrangements can be made. Special needs or requests can be made by telephone at 618-346-3161; by fax at 618-346-3119; or by Teletypewriter (TDD) at 618-346-3396.
